THANK YOU!

AUTOFAIR

Thank you Andy Crews, President and CEO, of AutoFair for selecting New Horizons as this year's beneficiary of AutoFair's Annual Thanks for Giving Event which raised a record $12,930.00! Throughout November, AutoFair's five New Hampshire-based dealers - AutoFair Honda, Ford, Hyundai, Volkswagen and Nissan donated a portion of the proceeds of every vehicle they sold. We are very grateful for this large donation which will provide 3,000 meals to individuals in need!

TURKEY BOWLING

Thank you Greater Manchester Nashua Board of Realtors for raising $2,644.00 for us at the Annual GMNBR Turkey Bowl in November. Many GMNBR Members, sponsors and friends came together at Merrimack Ten Pin to raise money for New Horizons. This has become a fun tradition where participants get to spend a few hours bowling while raising funds and collecting food for New Horizons.

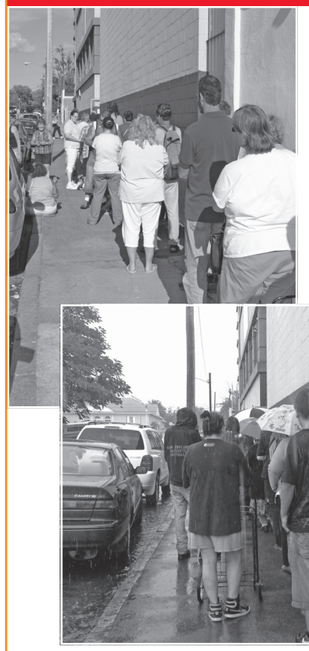
WINTER 2013

MAKE A DIFFERENCE IN SOMEONE'S LIFE

Please consider a year-end gift

So far this year we have seen a staggering 75% increase in the number of meals served to children in our soup kitchen and a 10% increase in senior citizens coming in for a hot meal. In our homeless shelter, we are on track this fiscal year to have our second highest bed night total in the last eight years. Last year was a record year. We expect all these numbers to remain high through the winter season. It costs $3,000 per day to operate New Horizons. Enclosed please find a pre-addressed envelope to make your gift giving easier. Every donation helps to make a difference in someone's life.

SHELTERING OUR NEIGHBORS FROM THE ELEMENTS



Far too often people passing by New Horizons comment about the number of people waiting in line for our food pantry, soup kitchen or homeless shelter. Because there is no place to wait, clients are forced to stand in line through all kinds of weather. Our goal for the new-year is to design and build an indoor waiting area that will be constructed in a portion of our food pantry. This will involve a reconfiguring of the present pantry set up. The project will be costly and to kick off our fundraising for this waiting area, the Singer family from Merchants Automotive is contributing $25,000. It is our hope that other individuals, families and businesses will step forward to assist us in making this renovation a reality. If you are interested in contributing either financial or in kind support, please contact Development Director Michelle Casale at 668-1877 ex. 125.

EXECUTIVE DIRECTOR'S CORNER

As we approach the end of 2013 and look ahead to 2014 I want to thank all of you for your support of this organization that helps so many in our community. During the holidays, we are all bombarded with advertisements promoting the latest and greatest electronic devices and toys and games that we can't live without. Everywhere we turn there are sales going on and people rushing off to do their holiday shopping. Here at New Horizons we see folks who are more concerned with feeding themselves and their families than they are with shopping for gifts. We see people who are thankful for a place to sleep and a hot shower. To them that is a gift that means the most.

Although we continue to hear that the economy is improving, the number of individuals and families seeking services at New Horizons is increasing. In order to meet the demand we are working harder than ever to raise the necessary funds to meet the need. We can only do this with your help. As you and your families prepare for this holiday season, please take a moment to think of those in our community who are less fortunate. Your tax deductible donation in any amount will help us to help our friends and neighbors who are in need.

It is so gratifying and fulfilling to help someone who is facing challenges in their lives and the reward is often a simple 'thank you'.

On behalf of the Board of Directors and our dedicated staff, happy holidays and thank you for your continued support of New Horizons for New Hampshire.

Angie's Kitchen Renovation

A wonderful $20,000 memorial donation, in honor of Sister Angie Whidden, from The Bean Foundation has enabled us to completely renovate the kitchen at Angie's Shelter for Women. This was a much needed improvement which had been on our to-do list for years. The design and installation was handled by Marc Cantin Cabinetry. This newly renovated kitchen better meets the needs of the 17 residents by providing them with a functioning, efficient space that can more easily accommodate them during mealtime. The renovation was completed in October and the residents are raving about how wonderful it is! Thank you so much to The Bean Foundation for its generosity!

MERCHANTS DAY OF CARING

On Tuesday, November 19, a group of over 30 employees from Merchants Automotive Group showed up ready to work at Angie's Women's Shelter for the Annual Merchants Day of Caring. Prior to the big day, a number of projects were mapped out so everyone would be ready to go first thing in the morning. The hard working group built much needed shelves, painted our handicapped bedroom as well as the bathrooms and other areas that were in need of freshening up, they cleaned out the cellar and turned a little used crafts room into a computer room for clients of Angie's. During the lunch break, a bar-b-que was held and the brand new gas grill that was used to prepare lunch was donated to Angie's. It truly was a day of caring by the wonderful employees from Merchants Automotive.

1. The Hallo-Weiner Hustle fundraiser hosted by McGarveys was enjoyed by many. 2. SVI Systems donated and installed a new flat screen in our cafeteria. Tom Labrie, of Southwest Airlines, made the connection with SVI. 3. Southwest Airlines food drive. 4. Bellwether Community Credit Union sponsored our annual Veteran's Day dinner. 5. Autodesk food drive. 6. Coldwell Banker Residential Brokerage donation. 7. Comcast donated 38 grocery store gift certificates. 8. Merrimack High School Random Acts of Kindness food drive. 9. Lynch, Alex Walker, Senior VP of Operations and Strategic Development, Catholic Medical Center and Rose, an alumnus of Angie's Shelter for Women who moved the audience with her story.
