

Peter and Christine Telge, owners of Milly's Tavern, hosted their annual Christmas party to benefit New Horizons - their event raised \$8,800! As usual, it was a really fun event filled with music, silent auction items and holiday cheer!

Newmarket International donated and installed a dozen laptops with upgraded software for New Horizons staff to use. Marc Berthiaume of Newmarket brought the equipment and three wonderful staff members to New Horizons for an entire day to install and troubleshoot computer issues. Thanks SO much!!

Greg and the Morning Buzz and its 3rd Annual Morning Buzz Christmas Ball raised \$2,600 despite a very snowy night!

# executive Director's Corner

The winter of 2014 has already been one that likely will go down as one of the worst in many years. During January and February, we have experienced record snowfall and single digit temperatures. These factors as well as many others have resulted in our homeless shelter running at or near capacity. For those in need of shelter, New Horizons has been a place to come in from the cold. This has been our mission since Sister Angie Whidden founded New Horizons for New Hampshire almost forty years ago. In order to continue to provide food, shelter and supportive services we need your help. Like so many non-profits across the country, we are experiencing cuts in the small amount of State, Federal & City funding that we receive.

With this newsletter I am asking for your help. To those of you that are regular contributors, I thank you. If you read this and say maybe later, I humbly ask you to help us now with a contribution so we can continue to meet the needs of our neighbors and friends. Many times during the last three years I have seen people I have met along the way show up at New Horizons and say, "I never thought I would have to come to a place like this to ask for help". Let's all make sure that we are able to provide that help.

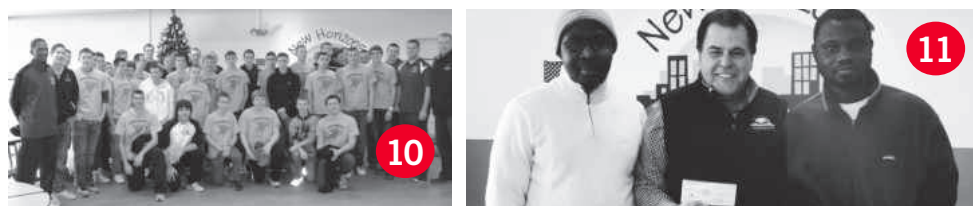

Charlie Sherman, Executive Director
